Re: TQCI Holdco, Inc. Transferor, and Education Networks of America, Inc. Transferee, Application Under Section 214 of the Communications Act of 1934, as Amended, and Section 63.04 of the Commission's Rules, for the Transfer of Control of Blanket Section 214 Authorization to Education Networks of America, Inc., WC Docket No. 17-285

Dear Ms. Dortch:

On behalf of Education Networks of America, Inc. and TQCI Holdco, Inc., and in response to an inquiry from Wireline Competition Bureau staff regarding the above-referenced application ("Application"), we provide the following information and clarifications regarding the transaction that is the subject of this proceeding (the "Proposed Transaction"):

- The transferee is Education Networks of America, Inc. ("ENA"). ENA Services, LLC is and will continue to be a wholly-owned subsidiary of ENA following the close of the Proposed Transaction. ENA Services, LLC will not have an ownership interest in TeleQuality following the close of the Proposed Transaction.
- ZMC II, L.P., which will have a 58.6% ownership interest in Commodore Parent, LLC following the close of the Proposed Transaction, is controlled by ZMC Partners II, L.L.C. *See* Application Exhibit 2(b). The reference to ZMC Partners II, GP, L.L.C. was an inadvertent error.
- TQCI Holdco, Inc., Commodore Co-Investor Aggregator, LLC, and ZMC II, L.P. do not hold any interests in any telecommunications companies other than those described in the Application.
